Instructors & Presenters

Various County Recycling Department personnel with education and outreach responsibilities.

Who Should Attend?

Municipal, county, state, and federal recycling and waste personnel with education/outreach responsibilities, as well as those from commercial & institutional, public and private waste & recycling industries, and those interested in recycling education and obtaining or maintaining PROP certification status.

Sponsored By

Recycling 401: Recycling Education

Course Overview

Recycling 401 will provide the recycling professional with tools to develop a well-organized, thoughtful, and appropriate educational program that considers the different cultures, socio-economic factors, and educational levels of the citizens of their municipalities. They will also learn how to maintain an efficient and effective educational program.

Upon completion of this course, participants will receive a Penn State certificate verifying the .3 CEUs earned toward the Certified Recycling Professional program.

Special Notes

- Recycling 401 is a **Core Elective** towards the **Recycling Professional Certification**.
- Recycling 401 is a **Core Requirement** for the **Specialization in Recycling Education**.
