Chuck Oyler has served as Director of Public Works for Upper Dublin Township since September of 2000. In his position, he supervises the operations of the Township's Engineering, Highway and Sanitation Divisions. His Department services 25,000 residents covering a thirteen square mile area located in suburban Philadelphia.

Prior to his employment with Upper Dublin Township, Chuck served as BFI's Recycling Manager and Market Development Manager for its Philadelphia region. He was also Director of Public Works for Plymouth Township in Montgomery County for fourteen years. He is a life member of the American Public Works Association (APWA) and is active in the American Society of Civil Engineers (ASCE). Chuck has a BCE from the University of Delaware and took graduate courses at Villanova University.
