**Nancy Tonkin** is the Recycling Coordinator and Utility Manager for South Whitehall Township. She has been employed with the Township for twenty-six years in the Finance Department. In addition to her recycling duties, she is responsible for all water, sewer and refuse/recycling billings and accounts receivables.

Nancy is a member of the Professional Recyclers of Pennsylvania (PROP) and serves in the capacity of proxy for the Board of Directors. She is a 2003 graduate of the PROP Recycling Professional Certification Program and has also served on two conference committees. Nancy is a graduate of Keystone College with a degree in Accounting.

In January of 2004, Nancy became responsible for the implementation of a townshipwide cart collection program for municipal solid waste with a contracted hauler, one of the first such programs in the State.
