

Students can produce and submit a 3–5-minute video demonstrating which items can be recycled and how.

Submissions can be sent to shelly@proprecycles.org and must be submitted by February 28, 2023.

The top scoring video will receive an award and be posted on the Professional Recyclers of Pennsylvania's Website. All submissions will be judged by a panel of Professional Recyclers of Pennsylvania members.

The following guidelines should be used when creating the video:

- Videos must be uploaded to YouTube and the link to the video provided.
- Refrain from putting student & school names in the video or in the title of the video
- Provide mailing address of school
